POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

CLUB NOTES

Team changes dictated by circumstances

The revival spirit asked for in our last Notes was satisfactorily in evidence in what had become a vital home game. Success was not easily gained but at least it was accomplished, and supporters fervently join with us in hoping it will be the forerunner of many more. Through it we have won all our matches with Swindon.

A tribute was earned by Ian Davidson's wholehearted and extremely effective display in his first League appearance for the club since re-signing. It followed a strong effort by him in the previous match at Derby and proved what we have always contended, that he has it in him to become a most serviceable player.

It was also pleasing to note a certain stiffening of the defence, long overdue. The concession of only one goal made a welcome change from a disastrous 30 against North End in the preceding nine League matches. Obviously the leak could not be allowed to go on unchecked, despite our getting a fair number in reply.

Tougher resistance through tighter covering and a better working understanding is only one aspect of the essential fight back from our most disappointing start. It is at least important to see that the first-rate constructive work put in by those whose mission is to scheme goals should produce adequate rewards in goals. That has been decidedly not the case in several one-sided games this season.

CLUB NOTES—continued

An ever-present problem facing clubs in these days of a general scarcity of players is that of prospecting for talent when replenishment of even a small staff is needed. No club can afford to turn aside any promising youngster with the demand so far outstripping the supply, or neglect an opportunity to reinforce.

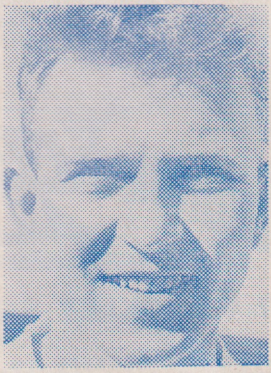
North End have been as active as any of their neighbours in this respect. No chance of watching a mid-week game likely to offer either a youngster or a ready-made player has been missed by the management. Every likely recommendation has been followed up. The outcome has been extremely disappointing.

We have gone to trouble and expense to study the performance of possible candidates and, as so often happens, without gaining any conviction that a particular signing of a player available for transfer would be an acquisition. That is why nothing transpired following last week end's visits to two Scottish matches.

A team change not altogether unexpected was made at centre forward for to-day's match. Everyone will hope that our leading scorer of last season will soon recover his lost form and confidence and also succeed in getting his weight down to what answered for him so well when he was regularly getting goals.

Alex Dawson is temporarily out of the picture: his task no doubt has been made more difficult by his two ankle injuries. He is to be admired for his earnest comment: "I'll be back." That is the spirit the public like. Meanwhile, we hope that Alex Ashworth, fit again, finds compensation for his long absence.

KNOW YOUR TEAM *8. Jimmy Smith*



Next May, James Alexander Grant Smith, better known to friends and fans as Jimmy, will have been at Deepdale 10 years. He was a find up at Arbroath, playing for Arbroath Lads F.C. and North End signed him on the recommendation of our Scottish scout on May 31st, 1955. He made his league debut against Manchester City at home on January 3rd, 1959, aged 21, and his promise and grasp of the game quickly earned him a regular place at left half. But for two things he would have been established long ago. First his career was interrupted by National Service, granted that Jimmy did not lack opportunities in Army football. Then, stepping into a breach at centre forward early in the 1960-61 relegation season, he suffered a serious injury in his third game in that position. Twisted knee ligaments threatened to terminate his career. However, he returned for the last match of the season, since when he has been a fairly regular performer, with 168 League games to his credit to date. He would have comfortably topped 250 but for the toll of periodic injuries. A quiet, thoughtful, constructive wing half, he was successfully converted last season into a dependable left back who gives little away and is difficult to beat. Shrewd in positioning and timing, he also uses the ball to a purpose.

OUR VISITORS—*Southampton*

ALTHOUGH our meetings with long-established Southampton, our attractive and always welcome visitors did not start until our relegation season of 1925-26, the chronicle is full of interest, with never much between the teams. In 29 League games to date both clubs claim 42 goals and the points totals are 30 for North End and 28 for Southampton. Following is a summary of the record :

	Home							Away						
	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*	*P.*	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
	14	8	3	3	25	16	19	15	3	5	7	17	26	11

BOTH TEAMS were evenly matched until our fourth visit to The Dell, when Saints handed out a 4-0 thrashing. Two seasons later, the opening day of 1930-31 this was more than set straight by a 5-0 Preston triumph. Tom Scott scored two goals on his debut. Southampton also lost on their next three visits, 1-2, 1-3, 1-3.

TED HARPER achieved a memorable hat trick at The Dell in 1932 when we were losing 1-3 five minutes from full-time. The following season on that ground Holdcroft, Lowe and Fitton made their League debut for North End. We lost 0-1. In the home encounter Dick Rowley scored two of our three goals against his old club.

MEMORABLE indeed was our next visit to Southampton. It was the last match of 1933-34, and a late goal by injured Jack Palethorpe was decisive. It put North End back in the First Division after nine years' absence and pipped Bolton Wanderers and Brentford on the post. George Stephenson did the hat trick in the home game.

OUR HEARTS became set on Charlie Wayman after his demoralising display in a 3-0 Southampton win at Deepdale in December, 1949 (Willie Forbes' debut). The following season Charlie scored two for us in a good home win which preceded our promotion run of 20 League games without defeat. He also scored in the 3-3 draw at The Dell when a long sequence of North End wins ended at 14, equalling the League record.

SOUTHAMPTON PLAYERS

John Hollowbread (*goalkeeper*). Native of Enfield, joined Saints from Tottenham having completed 13 years there. Fearless and reliable, last season kept Scottish International Bill Brown out of 'Spurs side.

Stuart Williams (*right back*). Born Wrexham, signed for Saints from West Bromwich, September, 1962, after 12 years at the Hawthorns. Former Welsh skipper. One of the coolest defenders in the game. Only once absent last season.

Tom Traynor (*left back*). Born Dundalk. Eire international with 12 years' service at The Dell, and over 500 appearances. Regular member of team promoted from Division III.

Ken Wimshurst (*right half*). Born South Shields and transferred from Wolves July, 1961 as an inside forward. Converted to wing-half, has shown outstanding constructive ability. On books of Newcastle and Gateshead when a youngster.

David Paton (*centre half*). Useful deputy for Knapp. A Scot, born at Saltcoats. From St. Mirren, 1963.

Cliff Huxford (*left half*). Born Stroud. Joined the Saints from Chelsea 1959. Tenacious and determined tackler, was captain during promotion season. Ever-present last term.

Terry Paine (*outside right*). Born Winchester, this flying winger was a product of Southampton's youth system. Brilliant two-footed player, can play on either wing and has figured prominently in the England side. Often described as a natural successor to Matthews. Joint leading scorer with 21 goals in 41 League games 1963-4.

George O'Brien (*inside forward*). Born Dunfermline. Previously played for his home club and Leeds United. Came to The Dell 1959 and has scored over 100 goals for Southampton including 16 last season in 23 League games.

Martin Chivers (*centre forward*) — local boy made good. After only one season of first team soccer was made an England Under-23 International. Product of the Saints' nursery, he signed as a professional September, 1962. He stands 6 ft. 2 ins. A deadly shot with either foot, scored 21 League goals last season in 27 appearances.

David Burnside (*inside forward*). Bristol born, this clever ball-juggling inside forward joined the Saints from West Bromwich Albion 1962. Like Paine, Sydenham and Chivers is an Under-23 international.

John Sydenham (*outside left*). Another product of the nursery. Debut 1956-57 season, and except when on National Service has played regularly. Southampton born, he has represented England several times at Under-23 level. Missed only one match last camapaign.

OLD FAVOURITES *8. Joe Marston*

Rarely has any player made as lasting an impact on League football in as short a time as this rugged Australian. Starting from scratch in 1950 when virtually unknown he made exactly 200 League and Cup appearances for North End within five seasons, collected a heap of honours, then departed whence he came. Back in his home town near Sydney he found himself a famous, almost revered figure, far more so than when he was playing for his country before embarking on his great adventure. He returned as a soccer missionary whose counsel was heeded and his example widely copied. His great reputation did an enormous amount of good in popularising the game. In England he proved himself a model professional, a strong hard player, a fair opponent and an exponent of physical fitness. He took and gave knocks but was never absent through those he got. Oddly he was the man who came back—and finally went back. Afrer five games at full back Joe thought himself a failure, but team manager Will Scott talked him into having a go at centre half. The move was an inspiration. Coming in again when Harry Mattinson had a shin bone broken in February, 1951, Joe made 191 successive appearances, shared in a promotion winning championship triumph, helped to take North End to the 1954 Cup Final and was honoured by the Football League. Then, proud and happy, he returned home.

SUPPORTERS' CLUB NOTES

Harmonious atmosphere at Annual Meeting

THE ANNUAL GENERAL MEETING on Monday was very well attended and was a most successful and pleasant occasion. All the officers of the club were re-elected and the three places on the committee were filled by Mr. Tom Melling, the retiring member who gained 159 votes, Mr. George Howarth, Secretary of Preston North End (148 votes), and Mr. T. Slater, the club concert Secretary (89 votes).

THE ONLY ITEM at the meeting to cause discussion and arouse especial interest was that about Junior Members. It is generallly understood that the committee have these youngsters very much in mind, and it was for their own benefit that the rule was introduced to prevent juniors from using the club during licensing hours, except upon the occasions set aside for them. The rule was endorsed by the members with very little opposition.

JUNIOR MEMBERS interested in forming a football team are asked to attend the club on Wednesday evening, November 11th, at 7 p.m. for a short meeting.

PLAYING MEMBERSHIP of the club's senior football team has been temporarily suspended until the Football Committee have made all the necessary arrangements to register players. A completely new list of players is expected to be started within the next two weeks when all applications to play for the side will then be considered. The Football Committee consists of Messrs. J. A. Dodd (chairman), T. Dimmock (vice-chairman), W. Strangroom (secretary), C. J. Kay (treasurer) and B. Allinson. Any of them will be willing to answer any queries and offer any help they can concerning the team.

SUPPORTERS' CLUB NOTES—continued

EUXTON ALBION 6, SUPPORTERS' CLUB 3 — Sunday, October 25th. The club team were not as bad as the scoreline suggests, most of the damage being due to an early hat trick from the Euxton centre-forward. The Supporters' Club pressed hard for two-thirds of the game and on the run of play a draw would have been a fair result. Scorers for the club were Gornall, Redhead (D.) (penalty), and Wildman.

OLD TYME DANCING will be held in the Club after to-night's game.

PLANS FOR FORTHCOMING TRIPS

CHARLTON ATHLETIC, November 14th. Coach leaves the club at 6-15 a.m. and travels straight to the ground. After the game the party will travel to their hotel and will have the evening at their disposal in London. The party will commence their return journey at 10 a.m. on Sunday morning. The cost, including fare, bed and breakfast, is 72/6. When booking for this trip members are requested to state their preference for single or double rooms.

BURY—Friday, November 27th. Coaches leave at 6 p.m. and return straight after the game. The fare is 3/9.

STAND TICKETS will shortly be available for both these games. Bookings are made in the Supporters' Club on Friday evenings and home match Saturdays both before the game and afterwards until 5-30 p.m. The travel Secretary (Mr. J. A. Dodd) can be contacted by telephone at Preston 53669 (Monday to Friday) and Nelson 63425 (residence).
